Westbury | Wegner Armchair - Leather

$2,471.00

Description

The Westbury armchair is our replica of the mid-century papa bear chair. Also known as the PP19 Teddy Bear Chair, our reproduction is true to the original design and is available in range of leather upholstery options atop high density foam padding. Its iconic silhouette features a broad, winged back with button tuft detailing and is crafted from a hardwood frame with wood tipped armrest accents and legs of solid walnut. This comfortable armchair pairs with a matching ottoman (sold separately) and is an ideal solution for every day seating relaxation.
