Sandspoint | Saarinen Tulip Armchair Set Of 2

\$579.00

Description

Our Sandspoint tulip armchair and tulip chair series are quality reproductions of the classic pedestal base seating design. Popular for the modern home's living and eating spaces, they make an excellent choice for a dining, side, and accent chair. This set of two replica white tulip armchairs is true to the original proportions, crafted from a tapered pedestal base with a single-piece molded seat shell in a scratch and chip-resistant, light gloss lacquer finish. The removable H4" padded cushion adds additional seating comfort and is offered in a selection of fabric options. Complete the look by pairing with our Sandlake tulip table collection, available in a wide range of dining table configurations. If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
